The fee is \$135 per participant. This fee covers all onsite trip expenses including meals.

There is a deposit of \$50 per participant that is due by June 1.

REGISTRATION

- 1. Do adults need to pay?*
Yes. Every participant needs to pay.
- 2. Do you need registration packets for adults?*
Yes. Every participant needs to complete a packet. There are separate packets for youth and for adults.
- 3. How does a church or youth group register?*
The registration process begins with completing a *Church Registration Form* (available online at superiorfaithumc.org). This will reserve space for your group. Send this form with a deposit to Faith United Methodist Church by June 1. The deposit is \$50 per participant. Then have each participant complete a registration packet. (You will notice there is a separate registration packet for youth and for adults.) If you have completed registration packets for participants ready at this time, you can send them along with the deposit.
- 4. What is the deadline to send in final payment and registration packets?*
We would like to receive all the registration packets and final payment by June 19.

5. *Can we register another youth after the June 1 deadline?*

Yes, as long as there is space available, you can register additional youth. Contact us for availability.

6. *College-age students—are they listed as adults or youth?*

According to *Safe Sanctuaries*, adults need to be 5 years older than the oldest youth to be considered an adult chaperone. If the oldest youth is age 18, then 5 years older would be age 23 or older. If the oldest youth is middle school age, then an adult age 21 could be registered as an adult chaperone.

HOUSING

1. *Where will we be staying?*

We have made sleeping arrangements with another church a couple blocks away; the men will be staying in one part of the building and the women will be staying in another part of the building. You will be sleeping on the floor so bring an air mattress, fans, etc, to make your stay more comfortable!

2. *Will showers be available?*

Yes, usually we use the showers at the University of Wisconsin-Superior Wellness Center. These are group showers, so if you prefer to wear a bathing suit while you are showering, that is okay. Adults—you have the option to use the showers at Faith Church.
